Review Of Scout Work Is Satisfactory

Baker Again Heads Scout Committee — Much Work Accomplished — Leaders Praised — Interesting Reports Heard

The annual meeting of the group committee of the 1st Sidney Scout Group was held on Monday in the Guide and Scout Hall and a very good meeting is reported.

F. J. Baker was re-elected as president of the group, Dr. W. Newton as vice-president, and Mrs. E. W. Hammond as secretary-treasurer.

Annual reports and statements presented showed a very active year and excerpts from these reports are printed below giving details of the worthwhile work being carried on by this organization.

Under the name of Mrs. E. W. Hammond, secretary-treasurer, the following report was submitted:

SECRETARY'S REPORT

During the year five meetings have been held in the Guide and Scout Hall. The finances of the group are perhaps not as good as they might be, but as may be seen by the financial statement considerable money has changed hands during the year and we have been able to meet all needs of the troop.

The troop won second place in the Rockhome Garden Shield competition at the V.I.H.A. Spring Flower Show, thereby augmenting the fund by \$3.00.

A very successful garden party was held in July at the home of Mr. and Mrs. Hammond. The troop camp at Deep Cove was a great success and much credit is due to Scoutmaster King and his assistants for their splendid organization.

R. Hammond was sent to Camp Byng for the Akela course and Mr. King went over for the weekend "get-together."

The boys worked well at the toy shop and sent a very welcome bale of toys to Sunset Prairie as well as covering the needs at home.

Two Christmas parties were held. At one the troop entertained the Guides, the work being done entirely by the boys. The second was given for the Cubs, they hope to entertain the girls at a later date.

Once again the thanks and appreciation of the association are extended to Scoutmaster King for his splendid and untiring work among the boys, and I would also like to add a word of thanks to Dr. W. Newton, R. Byers, R. Hammond, Grace King, J. Baldwin and B. Baker for their very able assistance during the year. May success follow our boys wherever they may be.

SCOUTMASTER'S REPORT

Scoutmaster King's report for the Scouts, Cubs, Rovers and officers, is published herewith, in part:

Last year our strength of the troop was 25, we now have 31 on the roll. Nine have come up from the packs, two have gone up to the crew, one has dropped out and one has left the district.

There are now nine King's Scouts, 15 second class Scouts and six tenderfoot Scouts. The badge work has been very good during this year. We have obtained three King's Scouts, three first class, 11 second class, 14 tenderfoot, two grade "A" cords, two grade "B" cords, one bushman's thong, two Cub instructors, 54 proficiency badges and there have been 26 re-passes for the King's Scout. Practically all of the badges have been of the service type.

A number of the boys are close to obtaining their first class badges now.

Our annual camp was held the second week of July at Deep Cove on the farm of Mr. Mosos, who kindly lent us his grounds. I think it was one of the best camping grounds that I have ever had.

We entered the competition for the shield at the Flower Show in Victoria put on by the Vancouver Island Horticultural Society and took second place, losing to the Cadboro Bay troop.

The troop took part in the great Island Rally put on in Victoria for

the Chief Scout when he visited us last April. . . . The 1st Sidney Troop had the honor of leading the march past. The rally was a wonderful experience for the boys and myself and will live long in our memories. Ray Byers took charge of the troop on that day.

The annual rally for the Hardinge Trophy was postponed this year and so we are still holding the cup.

We held our annual church parade on Saint George's Day in conjunction with the Guides, Cubs, Brownies and the I.O.D.E., the District Band playing us to church. The service was held in the United Church, the Rev. T. Keyworth taking the service. James Island attended with us and their flag was dedicated at the same time.

At the Jubilee celebrations the troop had a large bon fire at the top of the Experimental Farm Hill, to form one of the chains of bon fires around the world. The first fire was lit in Hyde Park, England, by His Majesty the late King George V. There was a large crowd of visitors to see the fireworks and enjoy the singing.

The troop was formed into a forest fire patrol during the summer months and patrolled a district of 55 square miles. There were five patrols under a leader with a central leader, for which we received the thanks of the Provincial Forestry Department.

Major Wise has paid us several visits, also a number of Scouts and Scouters from Victoria. We are always pleased to see them come along.

We had a visit from the Forestry Department, which gave us a very interesting talk and demonstration on how rayon and "Celophane" are made. We were also shown some very interesting slides of forestry scenes.

The attendance has been good when one considers that so many of the boys have to come into town on their bikes, and also that the weather has been very stormy.

We have had 40 regular meetings and 11 specials, as well as camp.

I have started a Junior Saint John's Ambulance Class. There are 22 boys attending these classes and a Saint John's Ambulance certificate will be granted to those who pass the exams successfully. The meetings are being held outside the regular Scout meetings.

Regarding the work and morale of the troop it is very good, and (Please turn to Page Two)

Spring Flower Show Wednesday, May 6

Always a feature of the spring season is the annual Spring Flower Show of the North and South Saanich Horticultural Society to be held this year in Wesley Hall on Wednesday afternoon May 6th during hours from 2 to 6. Gardens are now yielding many beautiful specimens and no doubt there will be a large number of entries for this popular event in which all residents of the district are invited to take part. As on previous occasions there will be no charge for entries, which alone should assure a large list.

Prize lists are expected to be ready for distribution next week.

Sidney C.C.F. Card Party Saturday, 25th

Members of the Sidney C.C.F. Club extend an invitation to all interested to take part in the 500 card party being held under their auspices on Saturday evening of this week, April 25th.

The affair will commence at 8 o'clock and will be held at the home of Mr. and Mrs. W. Baillie, Queen's Avenue. A hearty invitation is extended to all to take part.

TRACK WORK FOR DISTRICT

Constable George Helmsing has asked that the Review make known to as many as possible that all interested youths of the district are invited to be present at the North Saanich War Memorial Park (weather permitting) on Friday evening of this week at 7 o'clock, for a general get-together and discussion on the possibilities of forming a group here to carry out track and field work.

Constable Helmsing, together with a number of citizens vitally interested in sport, are promoting this idea and hopes are held for a good team to enter in the 24th of May celebrations here.

Come along boys, something worthwhile can be developed if there is united action! Seven o'clock at the park Friday evening.

FLOWER SHOW IN VICTORIA

A district display is being entered by the local Horticultural Society in the Spring Flower Show being held on Friday and Saturday of this week by the Vancouver Island Horticultural Association at The Willows, Victoria. Mr. McTavish of the local society is in charge of the arrangements for this display.

The North Saanich group is one of the 12 island horticultural organizations to be affiliated with the Vancouver Island Association.

Preceding the display at The Willows, some of the more beautiful gardens of Victoria and district will be thrown open for inspection by the general public. This added attraction to the Spring Flower Show was given great acclaim last year, and the many gardens proved to be an inspiration to garden-minded spectators.

A copy of the list of gardens that may be visited this week has been received at the Review office and anyone interested may get this information by phoning here.

Citizens of North Saanich, Adjoining Islands and Districts, Interested in the North Saanich War Memorial Park Now Have An Opportunity to Assist in the Construction of a Comfortable New Grandstand

DRIVE NOW ON TO RAISE FUNDS BY SELLING SEASON TICKETS FOR ONLY \$1.00! BOUGHT YOURS YET?

Park Board Members Plan Whirlwind Campaign In Order That Grandstand May Be Erected Before 24th of May, If Local and Neighboring Citizens Desire — It Is Felt That Sufficient Funds Can Be Raised

Gathering at S. Roberts' office Wednesday evening members of the North Saanich War Memorial Park Society decided unanimously to stage a whirlwind campaign to raise funds to replace the old grandstand that is worn out beyond satisfactory repair.

After discussing various ways and means of raising the necessary cash it was finally agreed that a generous bargain should be offered the public in the way of a season ticket giving admission to the grounds and a seat in the grandstand for the 24th of May, Labor Day, and all ball games for the entire season, for only one dollar!

Last year almost 70 games took place at the park in addition to the events on the 24th of May and on Labor Day, and this year there is no doubt but what a large number of games will be played — baseball, softball and "Diamond" ball. All followers of sports will certainly get their money's worth. Many citizens will no doubt buy tickets to assist in the financing of this undertaking. All intending purchasers of tickets are urged to immediately secure same as another meeting of the park board will take place on Thursday night, April 30th, to check up on the sale of tickets, receive tenders from contractors on the cost of the proposed building, and, if possible to let the contract for the first stage of the structure.

Contractors have been asked to figure in three stages:

First—A building 56 by 24 on the roof, 52 by 20 on the inside, on concrete piers, with eight rows of seats, and without dressing rooms and booth. Wire on old grandstand and backstop at far end of park to be put on front.

Second—A building as above, with dressing rooms and booth.

Third—A building as mentioned secondly, painted and new fox wire put on the front.

Contractors have been asked to figure this building two ways: Using building purchased from the mill for rebuilding and using entirely new material throughout.

The idea of asking figures in three distinct stages of construction is to make it possible to get started immediately after the meeting next Wednesday evening, if enough tickets have been sold to warrant a start, trusting that the total amount to carry on and go through with the third phase of the work will be forthcoming. You can speed matters up by purchasing your ticket right now.

All park board members, business establishments and Rover Scouts have tickets for sale. If you buy your ticket from a Rover you aid their funds also, as the board has offered them ten percent commission on their sales. The Rovers need funds. The park needs a new grandstand. The war memorial park is YOUR PARK! You can help in many ways by buying your ticket now — and at the same time know there is a whole season full of entertainment for you coming up! WILL YOU LEND A HAND?

Concert April 28th To Aid Fire Fund

Fifty percent of the net proceeds from this concert is being donated to the local fire protection fund and the support of the entire district is sought in order to make this event successful. Tickets are now on sale throughout the district and you are invited to secure yours without delay. Further particulars regarding price may be seen by turning to the Coming Events column.

The assisting artists include: Miss Eleanor Walker, 1936 winner, French Canadian folk song, soloist; D'Albert Le Marquand, twice winner, 1936, violin section, violinist; pupils of Western School of Dancing, Dorothy Cox, principal; and A. V. Semple, humorist.

The Review

Review Of Scout Work Is Satisfactory

(Continued from Page One.)

most of the boys are very keen on their work.

Troop Leader Roddy Hammond has been promoted to Acting Assistant Scoutmaster and Bruce Baker to Troop Leader. Ray Byers is Assistant Scoutmaster and has replaced Roy Tutte, who has left the district, and I am very pleased to say that he is a first class A.S.M. He has done great work with the boys along the sport lines. His Scout football team won the Victoria Challenge Cup, the team being only defeated on one occasion and that was a friendly game with James Island. Ray is now organizing a softball team. All of the boys on the teams are real good sports and I think that that is one of the reasons that they make such good showings.

I have formed a patrol of older King's Scouts and they are a great help with the younger chaps who have come up from the packs.

I am very pleased to say that our group won the B. P. Pennant this year. It was the second to be won in Canada, and the first to be won west of Welland, Ont. It is given for organization work.

Regarding The Packs

Last year we had two packs with a total strength of 26. During the summer we started a pack at Deep Cove called "C" Pack. The total strength of all the packs combined is now 24. During the year nine Cubs have gone up to the troop and two have left the district. There are now 10 first stars, two second stars and 11 tenderpads. During the year we have obtained 16 first stars, 10 second stars and two proficiency badges.

The packs have attended an unusual number of functions during the year.

Grace King has received her warrant as A.C.M. and is in charge of "A" Pack; Dr. Newton, "B" Pack, and Jim Baldwin, "C" Pack. Jim Baldwin has also received his warrant as A.C.M.

During the winter months we have amalgamated the three packs, the Cubs all coming in to Sidney, it being a better chance to train the Cubs in indoor work and then during the summer they can get outside and do woodcraft.

Bruce Baker, Ted Carter and Robert Slater are instructors to the pack and are a grand help and are very good with little fellows.

Those in charge of the packs are very keen in their work and are always ready to help the boys in any way possible. The meetings are well attended, the discipline good, the boys are all keen and seem to get a lot of fun and enjoyment out of the meetings.

Rover Report

The strength of the crew is at present 10. Two have come up from the troop and one has dropped out. There are five invested Rovers and five Squires.

We have had a fairly active year, attended all parades with the troop and packs. Attended church parades, Armistice services and also the memorial service for His Majesty the late King George V. Attended the Rally for the Chief in Victoria, Roy Tutte being one of the Chief's bodyguards.

We have held several parties and gatherings. We meet in the "Den" every other Tuesday. Members of the crew attended the Scouts' course in Victoria.

We have had, in conjunction with the Victoria District Rover Crews, bi-monthly meetings to discuss "Rovering" and the different problems of "Scouting," at the different crew headquarters, and rambles during the year.

We have had several bike hikes. Have attended investitures at Saint Mary's Oak Bay Church, the Cathedral, and at the Cadboro Bay den, also held an investiture at the top of Mount Newton. We attended the district camp held on Salt Spring Island and held an investiture there.

The annual B.P. Party was held in Victoria this year and it was a great success.

We have done a number of service jobs, including the erecting of a flag staff at the hall.

Assisted in work connected with the opening of the John Dean Park at Mount Newton.

Attended as ushers and formed a guard of honor at one of our members' wedding.

All members are working with the troop and packs and ready to

give service at all times. On the whole the crew had a very good and active year.

Officers' Report

Regarding the officers of the group, I am pleased to say that they are all doing fine work with the boys. Ray Byers has received his A.S.M.'s warrant. Grace King and Jim Baldwin have both received their A.C.M. warrants. Troop Leader Roddy Hammond took the Akela Gilwell Course at Camp Byng last summer.

They have all attended the regular monthly meetings held in Victoria headquarters. They have also attended Scouts' courses held in Victoria last winter. They are always willing to help the boys at all times. I feel sure that they are doing a real service to Scouting and the district in which they live.

We are very sorry to lose Roy Tutte, who has left the district. He always looks in on the troop when he is home for a holiday and is still interested in the movement. He is making every effort to attend the Rover meetings of the Quamichan Crew at Duncan, Col. Dopping-Hepentall has reported to me that Roy is a very welcome visitor to the crew there.

I have attended all the district executive meetings and Scouts' councils held in Victoria during the past year. I also acted as joint Scoutmaster with Major Wise for the Scouts' course.

I should like to thank the officers of the group for the loyal support which they have given me during the year. I can assure them that I do not wish for a better staff to work with.

Before closing I should like to thank the committee for the splendid way it has done everything possible for us to make the group go ahead as it has done.

The splendid co-operation of the whole is one of the reasons that hold the 1st Sidney Scout group a real organization.

North Saanich Branch

No. 37

A meeting of the Branch was held in the Orange Hall, Saanich, on Monday evening, April 13, at 8 o'clock, with the president, Comrade Garrard, in the chair.

The minutes of the previous meeting were read and adopted and under the heading of new business it was agreed to hold the annual ladies' night on Thursday evening, April 30, in the North Saanich Service Club Hall at 8 o'clock. It was also arranged to hold a church parade to Saint Andrew's Church, Sidney, on Sunday evening, April 26, at 6:45.

The president introduced the speaker of the evening, Comrade A. G. Smith, who delivered a very interesting address on the subject of education. He traced the history of education from the earliest times and showed how the different systems had all tended to make our modern education as we know it today.

The president conveyed a hearty vote of thanks from the Branch to Comrade Smith for his interesting talk.

Later the secretary, who was official delegate to the Dominion Convention held in Vancouver last month, gave a report of the proceedings and the high lights of the convention and told of several matters which will require to be taken up at future meetings of the branch.

With the singing of the National Anthem the meeting adjourned.

CHURCH PARADE

Members of the Branch are requested to parade to Saint Andrew's Church, Sidney, at 6:45 on Sunday evening, April 26.

This will be Comrade Hughes' last Sunday in the district and the Branch wish to take this opportunity of wishing him every success in the future.

Please make an effort to be ON parade!

LADIES' NIGHT

The annual ladies' night of the Branch will be held in the North Saanich Service Club at 8 o'clock Thursday evening, April 30. There will be a concert, cards and dancing and the Branch will supply coffee and sandwiches. Members are requested to turn up in force and bring their wives or friends.

Please assist with rationing other than sandwiches. Extra quantity will be required.

Soloists will be Madam F. X. Hodgson of South Pender, and Fraser Lister of Victoria. The chorus of some 20 mixed voices will render part songs, and a good evening's entertainment is anticipated.

Derwent Taylor left last week for the fishing grounds up the coast. H. McNeill of Browning Harbour also left in his launch, "Two Macs."

DEATHS

DEATH CLAIMS PIONEER

Another of the early Saanich pioneers has passed on in the person of John Watts Sluggett, West Saanich Road, who passed away on Friday, April 17th, at the Royal Jubilee Hospital in his 79th year.

A large gathering of friends and old pioneers attended the funeral service held Monday at Sands Mortuary and conducted by Rev. C. V. Apps and Rev. F. T. Tapscott. The hymns sung were "Nearer, My God, to Thee" and "Forever With the Lord." Mrs. S. M. Morton sang "Some Day the Silver Cord Will Break."

Interment was made at Shady Creek Cemetery, Keating. The pallbearers were G. H. Sluggett, F. J. Sluggett, R. W. Sluggett, H. F. Creed, Frank Verdier and L. C. Hagan.

Representatives of the Saanich Council, the Provincial Government, the Saanich Liberal Association, the Saanich Pioneers' Association and the West Saanich Basketball Club were present, while many floral wreaths and sprays testified to the high esteem in which the deceased was held.

Mr. Sluggett was born in Owen Sound, Ont., in 1858. As a young man he received his education in Chesley, Ont., and when about 18 years of age came to a farm in Saanich.

His father, the late John Sluggett, purchased 700 acres of land in Saanich and brought the family to reside there. The late Mr. Sluggett remained on the farm until his illness.

Prominent in farming circles, Mr. Sluggett was a highly-respected citizen of the Keating and Brentwood section, and his passing will be widely mourned in that area by many friends and acquaintances.

During his early days on the farm, Mr. Sluggett assisted his father in cultivating a large area of land, and at one time the family owned some 1,100 acres, extending from the East Saanich Road to the waterfront. This was believed to be the largest farm ever operated in Saanich.

Although the elder Mr. Sluggett had been active in political fields, his eldest son did not share the same enthusiasm for public life. He was, however, a member of the Liberal Association in Saanich and some two years ago was made a life-member of that organization.

When his father died, Mr. Sluggett was active in the erection of Sluggett Memorial Church, in memory of his father, who was an ardent follower of the Baptist faith.

Mr. Sluggett was a member of the original fruitgrowers' association in Saanich. Grain and dairy farming occupied the greater part of his attention.

His wife, Mrs. Eva Sluggett, predeceased him in August, 1934. He is survived by three sons, William, Charles and Stanley; two daughters, Alma and Daisy, all at home, West Saanich Road; three brothers, Robert and Frederick, Brentwood, and George in Victoria, and two sisters, Mrs. H. E. Tanner, Brentwood, and Mrs. J. W. Thomson, Victoria.

until properly
advertised"

For a long time it was a failure. No one would buy a Gillette Razor. In desperation King C. Gillette began giving razors away. But it did no good.

It was not till nearly ten years later, when an advertising expert came along that Gillette Razors began to boom. In a few years Gillette was a rich man. His company came to have a capital of £6,000,000, with a profit of £1,500,000 and factories all over the world.

One fact stands out: THE IDEA WAS
WORTHLESS UNTIL PROPERLY
ADVERTISED.

Why shouldn't you benefit by advertising? Harness the "power of the Press" to your own problem. Tell people about your produce or service. And keep telling them! It's the 'ammer, 'ammer, 'ammer that brings the business in. Remember —
